All we ask is a trial, we guarantee satisfaction. It is as cheap or cheaper than any of the so-called Roof Paints now on the market. While they make the roof better, "Arabic" will make them cooler. If you buy the "Arabic" and put it on yourself, it will cost you about 1c per square foot; if you want us to furnish "Arabic", labor, etc., it will cost you from 1 1/2c to 2c per square foot, according to the size of roof. We are also agents for the celebrated Liquid Slate, a preparation for preserving shingles.
